

Join us to “Make It!” Or “Take It!”

Beautiful pieces of sea glass straight from the Caribbean incorporated into unforgettable jewelry. Glass beads handcrafted and mixed with sea glass make for great conversation. You won't want to miss your chance to either “make” a jewelry piece, or come watch others create and simply choose one to “take” home for you or someone you love.

Local artisan Cali Harmen of Mayfin Jewelry will join us to teach us how to create our own bracelet utilizing her hand-blown beads, and Caribbean Sea glass. If you would prefer to relax and watch others create their pieces, Cali will also have pieces created for you to choose from.

As we enjoy “making” or “taking” our jewelry, we can watch videos of the Sea glass being harvested off the shores of U.S. Virgin Island St. Croix, and Cali creating her handcrafted beads.

For the ***first 100 women who register and pay***, will receive a *Swag Bag* filled with items we all want and need, worth nearly \$100, along with some coupons to use while you are in Des Moines. **Don't delay, register now as seating is limited.**

Once registered, we will send you a confirmation email and as we get closer, some final details of where to go, and what to expect!

Date: Friday, May 3, 2019 Time: 11:30 am until 3 pm Location: Marriott-room TBD
